You are purchasing a BRAND NEW, Reproduction steel body - 1966 -1977 Ford Bronco 2 door body with removable steel top. This Bronco is painted from the factory in a throwback color of Seafoam Green with a Whimbleton White Top. These are outstanding reproduction bodies from a well known overseas auto parts manufacturer who also produces reproduction bodies of Toyota FJ's, Datsun 240Z's and vintage Land Rovers. Pearce has sold (3) of these reproduction bodies in recent months. Due to increases in tariffs and shipping costs, they are getting very difficult to source. These bodies are being shipped to our facility sometime in July/August. If you agree to purchase, a deposit of \$2500 is due and payable to Pearce & Associates within 5 business days. Balance due upon your inspection when they arrive at our facility. Photo is an example of color only. A second photo is one of the white examples we recently sold.
